Recommendations & suggestion:

The below given points are the recommendations to improve the website (Sonic Sargam)

- Need to change the UI on the front of the webpage and also need to change the words on the logo from hindi to english
- The menu bar consists of 5 sub module but the UI of each each module is different need to change it
- Need to change the seek bar
- Need to add the visibility button on the password block in both login and sign in
- Need to improve the playlist sub module
- The web site should own explore song list rather than giving the spotify website page
